

MENTOR
COLLECTIVE

**Assumption
University**

Student Success

***We can't wait to get to know you...
and with Assumption's Mentor Collective program, we don't have to!***

What Is It?

You will be skillfully paired with someone invested in your success — an upper-class Assumption student Mentor who wants to serve as a meaningful resource to new Hounds.

Mentors aren't merely students with a year or two of experience under their belt; they are eager to help with your transition to the Hound Family and, most importantly, passionate about your Success at AU!

Think of them as your personal peer advocate; ready to listen, inspire, help navigate challenges, and recognize opportunities.

How It Works

To get started, you will register and complete a comprehensive online survey to identify your specific interests and goals (takes about 10 minutes). This information is used to expertly match you with an Assumption student Mentor based on shared interests, background/life experiences, academic interests, social interests, and professional aspirations.

What Will I Discuss With My Mentor?

- Meeting new people and making connections with peers, faculty, and staff
- Getting involved on campus
- Adjusting to university-level academic expectations
- Developing a plan for academic, social, and career success
- Balancing the demands of the academic experience with personal responsibilities and social life
- Exploring a major that's appropriate for your specific interests, strengths, and goals
- Navigating challenges and the resources available to improve your experience at AU and beyond

******Sounds Amazing, Right!******

When Can I Join/When Does It Start?

NOW! Register by completing this checklist item on your student portal.
You will be matched with your Mentor and begin connecting by the end of June!
